

Akash Sarker

Front End Developer (Remote)

Dhaka, Bangladesh akashsarkercit@gmail.com +8801640510431

01 PROFILE

Highly skilled React Engineer with a passion for crafting responsive and intuitive user interfaces. Equipped with a strong foundation in front-end development and a keen eye for design, I specialize in building modern, scalable web applications that deliver exceptional user experiences. With a proven track record of successfully translating complex business requirements into robust and maintainable code, I am dedicated to staying current with industry trends and emerging technologies.
